

COMPETITION MANAGEMENT REMINDERS

- **DR 129.9.e:** Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 60% in the highest test of the declared freestyle level or any test of a higher level at a Federation Licensed or FEI recognized Dressage Competition or "open" Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility must be submitted with the entry for a freestyle class.
- **DR 129.6.b:** Sound checks must be provided to riders in Freestyle classes for no fee, either on the day prior to competition or prior to their scheduled class. The requirements and timetable for scheduling sound checks must be published in the prize list.

REMINDERS FOR FREESTYLE JUDGES

Time:

- The USDF Freestyles **maximum time limit is 5 minutes**. There is **no minimum time**. Timing and judging commence when the horse moves off after the entry salute and ceases at the final salute. No bell is sounded at the end of the time limit. Movements executed after the 5-minute limit are not scored.
- One (1) point is deducted from the total for Artistic Impression for exceeding the time limit.
- **DR 122.7.k:** The rider has 45 seconds to signal to start the music; however, exceeding 65 seconds before entering the arena after the bell has sounded will entail elimination.
- **DR 129.6.e:** Under penalty of elimination at the **discretion of the Judge at "C"**, a rider must enter the arena within 20 seconds of the music starting. **Music must cease at the final salute.**
- **DR 129.2:** At the beginning and end of a Freestyle Test a halt with a salute is compulsory. Time begins when the horse moves forward after the competitor's halt and ends with the final halt and salute.

Judging:

- **DR 129.11:** All judges of a freestyle test at any level must judge both artistic and technical parts of the test.
- Judges marks for Technical Execution must be given in half-points or full points. Artistic Impression may be given in one-tenth (.1) increments.
- **DR 129.6.d:** In case of rider's music failing **before or during** a Freestyle Test and in cases where there is no backup system, the rider can, with permission of the judge at "C", leave the arena **or start at a later time**. There should be minimum interference with the starting times of the other riders and the affected rider should return to complete or restart his/ her test during a scheduled break in the competition or at the end of the competition. The rider may decide whether to restart the test from the beginning or to commence from the point where the music failed. Judging must restart at the point of interruption. In any case, the marks already given will not be changed.
- **DR 122.7.j:** The judge may stop a test and/or allow a competitor to restart a test from the beginning or from any appropriate point in the test if, in his discretion, some unusual circumstance has occurred to interrupt a test.

Above the Level Movements:

- Movements "above the level" (found ONLY in a higher-level test) receive a deduction of four points from the total for technical execution for each illegal movement, but not for each recurrence of the same movement.
