### Self Care/Run-In Boarding

\*Self-Care Board includes

\*occupation of a run in stall in the back, with attached paddock, stall is not maintained by Horse Amour staff, but by owner approx 2 days weekly

\*grain once daily

\*premium grass hay, twice daily

\*outdoor large water tub, filled daily, cleaned weekly

\*use of barn tools for stall cleaning, and reasonable amount of bedding, no more than 3 wheelbarrows of bedding should be used weekly

\*you are welcomed to supply extra bedding, but remember that more bedding means more waste and a larger manure pile that must be managed or hauled away at the farm's expense. Boarders who wish to use large amounts of shavings are advised to put down rubber matting to help with shavings management as we do in the main aisle. *Sawdust is a supply issue during the holidays every year.*

\*reasonable area for tack storage in main aisle, please no more than one vertical saddle rack, and one tack box. Neatness, and keeping area contained is vital for the comfort of your neighbors and barn safety.

\*during owner vacation, or at owner's request, stall can be cleaned/bedded by Horse Amour staff for 3x weekly at \$10/time, or once in a while major cleaning for \$25

\*stall rest (horse needs to be removed from run-in and placed in alternative box stall do to stall damage, horse injury or other quarantine) add \$5/day
